motorsport

Contact:- 07905224246 E-mail sales@bicknellmotorsport.co.uk

## Key Features

- Set up in minutes
- Shelf for lap top and paperwork
- Raised floor for comfort
- GRP roof
- Capture corporate name on roof for TV
- Fits three people
- Small enough for narrow pit walls
- Heavy duty PVC skirts for full weather protection
- Fully sealed to keep out of the cold and rain

<b>Dimensions:-</b>	Width	2010mm
	Depth	860mm
	Height	2300mm

## Construction:-

The Staydry uses a high quality aluminium frame complete with the benefit of the glass fibre roof.

Four aluminum poles support the GRP roof and locate the shelf in position, all lock together without the need for tools.

The roof is edged with aluminum Keder rail allowing the PVC skirts to easily slide into position.

All bolts and fittings are either stainless steel or Plated.

The Staydry packs down efficiently with the roof attaching to the floor and the poles strapping to the shelf.
